Is as Mr. Curry proclaimed, "gin slinging and surveying don't go together" we modestly rise to enquire how the former compound and legislation mix?

THE Star in summing up the long Smith, it omits all mention of the part he took or did not take in the matter of the land court bill. It will be on this bill that Mark will have to face his campaign in Pima county.

THE Democrats are ashamed of their legislative ticket and inducements have been offered to several of the nominees to withdraw from the ticket in favor of more acceptable individuals. But the aroms of office, however thin, is as dear to a Democrat as a molasses barrel is to a pickaniuny. Nothing but the strong will of the people can repudiate their

We earnestly commend it to the voters of Graham county.

are wise enough to take advantage of the time and work harmoniously for the common good of the party, there is no reason that every Republican nominated should not be elected. They must be careful, however, and put in nomination some of the best material that can be found within the party lines. This being done, as all good Republicans hope it will, we need have no fear of the result. The legislative ticket must not be made up of the fag end of the party as the Democrats have done, but of capable and efficient business man. who will lend their voices and their votes to the making of laws for the common good of the whole people. The other nominees from the sheriff down, must be as carefully selected as the legislative ticket.

Ir has been definitely announced that Mickey Stewart will be here on the 11th instant, when a rousing reception will be given him. Since his nomination there has been a great desire on the part of the citizens of Pima county to see him and hear him discuss the pregnant issues of the day. THE president has every right to feel proud of the news from Indiana as stated by Hon. R. B. F. Pierce, chairman of the Republican executive committee of that state, who stopped in Washington on his way to New York, where he had been called on business. "The campaign" said Mr. Pierce, "is moving very satisfactorily to us, and the state will go Republican bayond a doubt. There are a remarkable number of hanges of life-long Democrats to the lanublican side. Cases are reported chanics and business men, and I now recall seven counties in which marked changes have taken place. Within the geles Express. last week ten voters in one family, in one of the southern counties, came ove because of the free trade plank in the Democratic platform. A few days ago a Democrat who is a prominent wholesale merchant of Indianapolis, told me that he intended to vote for Harrison, because he considered the changes which would necessarily result in the If the Republicans of Pima county Cleveland and a Democratic congress dangerous; and beside he was so well satisfied with the able, dignified and onservative administration of President Harrison that he was anxious for it to continue four years longer."

ALL the news received at the head parters of the Republican congressional committee is encouraging, and notwithstanding the enormous Democratic sajority in the house, which everybody knows was obtained by concerted miscorporatations of the McKinley tariff w, there are good prospects of electeg a majority of Republicans to thecext house. The workings of the Mc-Kinley law, as shown by reports prepared in numerous states by Damocratic as well as Republican official), are proving to be the most convincing sort of arguments, and Republican speakers who took part in the campaign of 1890 are proudly recalling to their heavers the prophecies made then as to how the law

sons were killed in the scrimmage. YANKTOWN, S. D., Oct. 5.-The dem ocratic state central committee forward ed to the secretary of state as requited by law certificates of the nominations made by the democratic state conven tion. This settles the question of fu-sion in South Dukota. The state is believed to be by a large majority surely Republican.

Kansas, Oct. 5 .- A special to the Star from Coffeyville, Kansus, says that Superintendent Erey, of the Missouri, Kansas and Texas railroad with a special car in which were thirty or forty trusty citizens, having Winchester rifles and shot guns left Parson for Coffeyville upon the receipt of news to assist in "running the desperadoes down. They found on their arrival, however that there was nothing for them to do. City Marshall Donnelly was about to take position as principal of the high school, Geo. Gabine killed by the Daltons, was a boot and shoe merchant in Coffeyville, and in Oswego, in an adjoining county of Labette where he had been conducting clusions as follows:

I may briefly state my individual conclusions as to Mars at the opposition to be that the changes in the surface feature. A special from Coffeyville says that Emmit Dalton, cannot live and has made
